US Hwy 50 Garage Sale

May 19th & 20th

Saturday/Sunday 7:00a-4:30p
Veterans Park, Canon City

Once again Tashima Wildrose, the driving force behind our hugely successful Highway 50 garage sale last year has volunteered to head our fundraiser this year. If you have items you would like to donate, please contact Tashima—this year we are asking that you deliver

your items directly to us at Veterans Park on Saturday morning at 7:00am. If you cannot deliver your items, call to arrange a pickup. Remember to tag all your items with the price you think will move it quickly. Anything that does not sell will be re-donated to Goodwill or New Horizons.

To sign up for a time to help at the two day event, contact Tashima. She may be reached at:

Rock A Thon

May 12th

Saturday 10:00a —4:00p
Pueblo, Colorado

This fantastic fundraiser is the brainchild of Emily Barnard, owner, of Colorado Fiber Arts, located at 121 Broadway, Pueblo.

Currently volunteers, including all WtW board members, will be rocking for to raise money for Warm the World. Send your donations or pledge one of the new board mem-

bers. This is our first ever Rock A Thon so let's make it a huge success.

How can you help if you can't rock?

Ink Cartridge Recycling

We have found a recycling company that will provide prepaid mailing envelopes with our account number on them! All you have to do is drop your cartridge in the envelope and mail it in for us. So far we have collected over 50 printer cartridges for

recycling. These are worth \$50-75 dollars! The best cartridges for recycling value are those that have the little printed circuit print head on the

side (HP, Dell, Lexmark type printers.) Contact Nancy Huber for supplies you need for this great program:

Time for Fun with Needles

All work and no play is NO fun. Over and over the question gets asked, "do you ever have groups meet just for fun?"

If you are interested in starting a group, being a part of a group, or just getting together for fun with yarn, call Nancy @ (719) 371-3729. I'm sure we can create small "Needle Niches" that meet weekly/monthly to

help solve pattern problems, meet new friends and just have fun. Nancy will compile a list of everyone interested and pass the information to

the respective board member where the interested parties reside.

Naming Contest:

Come up with a creative name for our meeting groups and win a gift certificate from Colorado Fiber Arts!

Secret Revealed

No not "The Secret" but rather the secret of what we do when we meet at the Warehouse! Mark your calendars... Time to bring the fam into the fold and thank them for supporting our yarn fetish! We're having a barbeque for our families at the WtW warehouse. It'll be a hot one... we're planning this event for July 21, 2007.

Bring your spouse, partner or significant other to meet the group and see our operation. Bring a dish to share. We'll provide the hamburgers, hot dogs, drinks and paper ware. Please RSVP by July 14th with the number attending... More details will follow as the date gets closer.

Please welcome the new board members and keep their contact information handy. Each has a specific geographic area that they are responsible for and will be the key contact for projects in their boundaries. This is the first BIG step in moving Warm the World forward.

Nancy Huber—President of the Board

Area of responsibility will be Canon City, Florence and surrounding areas. Nancy is the liaison for our work with the Bruce McCandless Veterans Nursing Home in Florence—is spearheading the printer cartridge recycling program—and is coordinating the first WtW significant other barbeque in July. Please contact Nancy if you have any questions on her areas of responsibility.

Nancy may be reached at: jbnhuber@bysky.net

Mary Andersen—Vice President of the Board

Area of responsibility will be Canon City, Florence and surrounding area. Currently Mary is working with Nancy on a program that will teach students from Royal Gorge Academy how to knit and crochet. In addition to RGA, Mary welcomes and checks on all new WtW volunteers with n her geographic area.

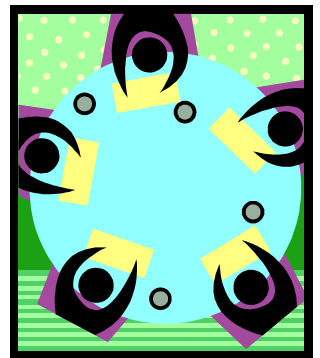

Mary may be reached at: children_1_90@msn.com

Christine Smith—Treasurer of the Board

Area of responsibility will be Pueblo West / Pueblo and surrounding area.

Christine with the help of her sister, DeAnne (also a board member) is our liaison for: Sangre de Cristo Hospice, Catholic Charities Diocese of Pueblo, A Caring Pregnancy Center, Presbyterian Towers and if all that doesn't keep her busy enough, she is also working with Rye High School getting a WtW program started there. One of her duties as Treasurer will be heading the Finance Committee.

Christine may be reached at: smithchris81007@yahoo.com

Felicia Booth— Secretary of the Board

Area of responsibility will be Colorado Springs / Fort Carson. Once we break through and get the wheels moving at Fort Carson, Felicia will be teaching knitting and crocheting at Fort Carson. In addition to this gigantic program, Felicia has her hands on several budding groups in Colorado Springs. Her true calling is recruiting. Through her current experience working with a high school group, she will be spearheading writing our policies and procedures guidelines, moving WtW into the next step of establishing Chapters.

Felicia may be reached at: BLUFELICIA@MSN.COM

DeAnne Atteberry—Board Member

Area of responsibility will be Pueblo West, Pueblo and surrounding area. DeAnne, hand in hand with Christine, manage all the groups in Pueblo. DeAnne has been instrumental in establishing WtW in her geographic area and is our primary contact for Colorado Fiber Arts, a local fiber store that is our biggest supporter. DeAnne's gentle spirit is the perfect fit with Sangre de Cristo Hospice and Presbyterian Towers.

DeAnne may be reached at: datteberry3933@yahoo.com

Kathy Faulk—Board Member

Area of responsibility Colorado Springs / Fort Carson. Kathy, working with Felicia, will be pushing through the system at Fort Carson establishing independent knitting/crocheting groups. Fort Carson is expected to be our largest recipient, with over 1400 baby blankets on the horizon. In addition to keeping Fort Carson moving, Kathy is working on a program making blankets for infant burials. WtW was contacted and asked if we could provide beautiful handmade casket liners for families that could not afford to pay for burial expenses. A very challenging program, but with Kathy at the head, we will be moving into assisting families in such a desperate time.

Kathy may be reached at: kafski@gmail.com

Lee Allison—Board Member / Committee Chair

Area of responsibility Florence. Lee will keep busy with her responsibilities as Committee Chair establishing the Board Development and Planning Committee, Finance Committee and the Media/PR Committee's. Lee also is key in establishing drop off and pickup donation boxes in Florence, Canon City and Penrose. We keep her wheels moving!

Lee may be reached at: lallison@netzero.net
